

Test Certificate

This certifies that the Delphi Cantilever Chair, manufactured by Boss Design Limited and tested at FIRA International Limited, successfully satisfied the applicable strength test requirements from BS EN 13761: (2002) and the relevant stability test requirements from BS 7945: (1999) and is therefore considered to be structurally suitable and sufficiently stable for general office use.

Report reference: TSSEF01259/E/DCH/JB refers.
